

Arthritis Ireland

Little Things make a Big Difference

Help change **MORE** lives without spending a single cent!

You may not be aware, but if you have made a very generous donation of €250 to Arthritis Ireland this year, there is a very simple way for Arthritis Ireland to claim the tax back on this donation and make your contribution go even further.

How can you help?

Here's how it works. If you are currently a PAYE employee, your donation can be increased **without any further cost to you**. As you may have already paid tax on the money donated to us, we can reclaim this tax from the revenue commissioners.

Example: This is how it works for a donation of €300 ;

If you pay tax at the Standard Rate ($\underline{\text{€}300 \times 20\%}$) = €75.00 tax to reclaim
(100%-20%)

If you pay tax at the Higher Rate ($\underline{\text{€}300 \times 41\%}$) = €208.47 tax to reclaim
(100% - 41%)

So, your donation of €300 to Arthritis Ireland could be worth € 508.47

To help reclaim this tax, simply complete the enclosed form and send it back to us.
